For Chinese applications only:

Explanatory note:

(Signature of the supervising university teacher) (Stamp) Date:

1 The APS is the Academic Testing Service at the German embassy in China. It verifies the authenticity of certificates submitted by Chinese applicants. We advise the verification of certificates in the case of persons about whom little or nothing is known. However, an APS certificate should be waived if it is established that the person concerned is able to submit authentic certificates (e.g. due to having been recommended by a well-known Chinese university lecturer).
